Index to Volume 11

1. Articles by Author

Abdullah, Dewan A., and Frederick E. Tank. "The Determinants of Fixed Investment Over the Business Cycle: Some Time Series Evidence." 1: 49–65.

Ambler, Steve, and Louis Phaneuf. "The Stabilizing Effects of Price Flexibility in Contract-Based Models." 2: 233–46.

Andersen, Torben, and Michael Christensen. "Relative Wages and Employment Fluctuations." 4: 477–492.

Cantor, Richard. "Increased Price Flexibility and Output Stability." 4: 563–574.

Chaudhuri, T. Datta, and Sarmila Chaudhuri. "The Extent of Wage Indexation in Indian Industries." 3: 455–461.

Clague, Christopher. "'The National Price Level: Theory and Estimation': A Comment." 3: 375–381.

Cover, James Peery. "International Evidence on Output-Inflation Trade-Offs: Results from a Covariance-Bounds Test." 3: 397–408.

Cutler, Harvey. "Aggregate Supply and Demand Disturbances, and the Business Cycle." 2: 247–59.

Darity, William A., Jr., and Wanda I. Marrero. "Reply to 'A Common Error'." 1: 149–50.

Davidson, Lawrence S., and Heejon Kang. "Changes in Long-Term Economic Trends: Before and After the 1930s." 1: 1–23.

Davis, George K. "A Note on Inflation Uncertainty and Monetary Policy." 3: 435–446.

Douglas, Richard W., Jr. "A Three Asset Determination of the Transaction Demand for Money." 1: 95–108.

Dua, Pami, and Harjit K. Arora. "Do Expected Budget Deficits Affect Household Expectations of Interest Rates?" 4: 551–562.

Erbas, S. Nuri. "The Limits on Bond Financing of Government Deficits Under Optimal Fiscal Policy." 4: 589–598.

Ermini, Luigi. "Excessive Sensitivity of Consumption and Postponed Revision of the Optimum Plans." 3: 409–422.

Fisher, Douglas, and Apostolos Serletis. "Velocity and the Growth of Money in the United States, 1970–1985." 3: 323–332.

Gauger, Jean. "The Generated Regressor Correction: Impacts Upon Inferences in Hypothesis Testing." 3: 383–395.
Gerhaeusser, Klaus. "Output-Inflation Trade-Offs in Industrial and Developing Countries: A Corrective Note." 3: 463–465.
Ghosh, Sukesh. "Currency Substitution and Demand for Money in Canada—Further Evidence." 1: 81–93.
Hall, Peter H., and Malcolm L. Treadgold. "Aggregate Demand Curves: A Response." 1: 141–43.
Hudson, John, and Richard Lark. "A Polychotomous Probit Measure and Analysis of Inflationary Expectations." 2: 269–80.
Isaac, Alan G. "Wealth Effects and the Current Account With Endogenous Terms of Trade." 4: 609–612.
Joyce, Joseph P. "An Investigation of Government Preference Functions: The Case of Canada, 1970–1981." 2: 217–32.
Kimbrough, Kent. "Optimal Taxation in a Monetary Economy With Financial Intermediaries." 4: 493–511.
Kneebone, Ronald D. "Does Fiscal Policy Matter in a Federal Economy?" 4: 599–607.
Krohn, Gregory A. "Corporate Mergers and Investment." 1: 109–20.
Lai, Ching-chong, and Wen-ya Chang. "Income Taxes, Supply-Side Effects, and Currency Devaluation." 2: 281–95.
Lam, Chun H., Rajat Deb, and Tom Fomby. "Deregulation and the Demand for Money Market Mutual Funds." 2: 297–308.
Lane, Timothy D. "Foreign Exchange Market Intervention in Interdependent Economies: A Case for Capricious Policy?" 4: 513–531.
Marquis, Milton H. "Interest Rate Volatility in a Partial Equilibrium Model of Household Money Demand." 1: 67–80.
Marquis, Milton H., and Willard E. Witte. "Cash Management and the Demand for Money by Firms." 3: 333–350.
McTaggart, Douglas, and David Salant. "Time Consistency and Subgame Perfect Equilibria in a Monetary Policy Game." 4: 575–588.
Mino, Kazuo. "Implications of Endogenous Money Supply Rules in Dynamic Models With Perfect Foresight." 2: 181–97.
Officer, Lawrence H. "The National Price Level: Theory and Estimation." 3: 351–373.
Quddus, Munir, Jin-Tan Liu, and John S. Butler. "Money, Prices, and Causality: The Chinese Hyperinflation, 1945–1949, Reexamined." 3: 447–453.

Rabin, Alan, and Dan Birch. "Aggregate Demand Curves: A Reply to Smyth." 1: 145–47.
Reid, Bradford. "Government Budgets and Aggregate Consumption: Cross-Sectional Evidence From Canadian Provincial Data." 1: 121–32.
Rodriguez, Alvaro. "The Existence of an Optimal Inflation Rate in a Cash-in-Advance Economy." 2: 309–14.
Rowe, Nicholas. "Do Small Menu Costs Cause Bigger and Badder Fluctuations in Monopolistic Macroeconomics?" 1: 25–48.
Smyth, David J. "Aggregate Demand Curves: Static and Dynamic." 1: 133–40.
Smyth, David J., and Harjit Arora. "A Temporary Equilibrium Model of the Mortgage Market." 2: 261–68.
Taylor, Dean. "Stopping Inflation in the Dornbusch Model: Optimal Monetary Policies With Alternative Price Adjustment Equations." 2: 199–216.
VanHoose, David D., and Christopher J. Waller. "Optimal Monetary Policy and Alternative Wage Indexation Schemes in a Model With Interest-Sensitive Labor Supply." 2: 163–80.
Zilberfarb, Ben-Zion. "Interest Rate Determination in a High Inflation Economy." 4: 533–549.
Zuehlke, Thomas W., and James E. Payne. "Tests of the Rational-Expectations Permanent-Income Hypothesis for Developing Economies." 3: 423–433.

2. Articles by Title

"Aggregate Demand Curves: A Reply to Smyth." Alan Rabin and Dan Birch. 1: 145–47.
"Aggregate Demand Curves: A Response." Peter H. Hall and Malcolm L. Treadgold. 1: 141–43.
"Aggregate Demand Curves: Static and Dynamic." David J. Smyth. 1: 133–40.
"Aggregate Supply and Demand Disturbances, and the Business Cycle." Harvey Cutler. 2: 247–59.
